

Terms and Conditions – Pets

Most dogs are welcome at our park and in specific holiday cottages with a maximum of two dogs per booking. Some breeds of dog including those listed in the Dangerous Dogs Act 1991 are not allowed. Please provide us with the details of the breed of your dog when you book with us. Other pets may be permitted at our discretion, so please check when booking.

There is a charge of £8 per night for 1 pet and £12 per night for 2 pets. Assistance dogs for disabled guests are exempt from these requirements and charges. We welcome well behaved dogs at Notter Mill, however, they must be kept on a lead at all times around the cottages. We have a large field and wooded area where they are allowed off-lead but must be under controlled supervision at all times. You must clean up after your pet and dispose of any waste in the cottage dustbin. Pets are not allowed in the pool area and should be on a lead around the children's play equipment. Pets should not be left unattended in holiday homes or elsewhere on the park and must not be allowed on bedding or seating.

If we reasonably believe your pet is causing a nuisance on the holiday park or causing damage to the holiday home, you will be required to remove it from the park and/or we reserve the right to refuse entry.
